## Inline Tube Exclusive

For years Inline Tube has been manufacturing stainless pre-formed brake and fuel lines, and is proud to introduce its newest product: **Stainless Steel Parking Brake Cables**. Inline tube is the only company in existence reproducing stainless parking brake cables..

These exclusive cables are available in aircraft quality stainless steel or authentic original steel. The entire assembly from end to end is fabricated in only the highest quality stainless materials. All cable, bulk heads, spring wrap, wire stops, rubber parts are identical to the original OEM Specifications.

We are located in the heart of the motor city, where an automobile is not just transportation, but a way of life.

**The difference in our products is a perfect fit. Keep it Inline.**

When ordering **Stainless Steel Lines** Please place an "S" in front of the part number.

**Clip Sets are Available for GM Trucks Page 230**
