See  
Page 222

Inline Tube stocks hundreds of OEM flex hoses.

Inline Tube has been featured in hundreds of magazines over the years and has provided parts for all the top show cars you find on the pages.

Inline Tube is now the exclusive manufacturer of all the hard to find cable hardware for Mopar. You asked for it we made it.

Inline Tube ships out over 100 orders a day with 2 Federal Express pickups each day, so in stock orders can go out the same day.

Inline Tube has miles of tube in stock ready to be made into your brake and fuel lines. Tubing is available in premium stainless or tin coated steel.

Whether you are building a concourse winner or doing necessary maintenance, Inline Tube is the professional's first choice.

Inline Tube is the industry leading manufacturer of preformed tubing.

Inline Tube is on the Internet. See our online catalog: [www.InlineTube.com](http://www.InlineTube.com)
